MICHELIN® COMMERCIAL SERVICE NETWORK®

Member of Michelin Commercial Service Network

Border Tire

Your ultimate source for premium tires, skillfully fitted by our expert technicians. From industrial and over-the-road to forklift tires, our wide range of top-of-the-line options ensures unmatched performance and reliability. Rely on our expertise to keep your vehicles rolling smoothly and safely.

Retreads

We offer MRT (Michelin® Retread Technology) retreads built with computer-controlled Michelin® precision, to Michelin® standards, using Michelin® new-tire rubber compound and tread designs.

Oliver® is a top-quality retread we offer for a great price. Oliver® has built a reputation for high-quality, consistent retreads and nationwide fleet service support you can trust to help keep your trucks moving and your promises kept.

Both provide a consistent, highly audited manufacturing process to deliver uniform results. Plus, Oliver® and MRT examine 100% of the casing before retreading.

Wheel Refinishing

Border Tire utilizes state-of-the-art equipment for optimal wheel coating, enhancing fleet safety and reducing consumption. Our advanced IMI MILCURE system restores wheels, improving performance, stability, and durability with corrosion resistance. Trust our efficient refinishing process, featuring specially-formulated IMI coatings, to prioritize fleet safety and longevity, minimizing downtime.
